Work Offered

The European Association of ERASMUS Coordinators (EAEC), is a membership network, which currently has more than 140 members. It was founded in 2004 in Lodz, Poland, with an official kick off during the ERAACON 2005 in Cyprus.

Aims of the Network

- enable an information and experience among the European ERASMUS+ Programme Coordinators and beyond
- promote mobility of students, academic and administrative staff in the territory of the European Union and beyond
- circulate provisions on the Bologna Process and its updates in academic circles
- promote principles and participation in the ERASMUS+ European Commission Programme
- support the process of raising education and quality standards in the territory of the European Union and beyond
- organize seminars and conferences, with an assumption of enabling direct communication among the Association's members and be a catalyst for increased mobility throughout Europe and beyond, as well as defining new areas of the

Association's activity

- prepare and submit project proposals to be funded by the European Commission
- cooperate as a partner in European funded projects
- run surveys and studies on topics relating to the above
- produce publications of interest to the members

Trainee will help develop web portals and create and manage software related to registrations related to meetings and conferences. Other tasks may be assigned as needed. Trainee should be hard working, very serious (as expectations are high) and have a positive attitude.
